To Maximize Everyone’s Benefit of the Whirlpool and Insure the Proper Maintenance and Upkeep of the Equipment Please follow these Rules:

1. You must shower before using the whirlpool.
2. Do not stand in the whirlpool or put any weight on the bottom of the whirlpool whatsoever. This includes kneeling or leaning on the edge.
3. Only one person is to be seated in the large whirlpool at any one time, and only on the suspended bench that is provided.
4. No more than 3 people in the whirlpool at any time.
5. You may not use the whirlpool if you have an open wound.
6. The whirlpool will be drained promptly at 6:55pm.
7. There will be no whirlpools on weekends.
8. Failure to adhere to these rules will result in the loss of whirlpool privileges.

Thank You!
